[Leetcode Contest rating: 1413](#) | Fluent in Hindi, English

Summary

Computer Science student at VIT Bhopal (GPA 8.62, 2026) with experience in AI, scalable systems, and full-stack development. Built multi-tenant chat and voice agents using OpenAI, Kafka, and ElevenLabs, and deployed apps with Go, React, C#, and Blazor on AWS and GCP.

Work Experience

Sniperthink

Remote

AI Tech Intern

April 2025-Present

- Led AI projects including a multi-tenant chat and voice agent system and ensured scalability with Kafka and MongoDB..
- Built chat agent with OpenAI Assistants API, integrated WhatsApp & Instagram APIs.
- Developed voice calling agent using ElevenLabs Conversation AI with a custom dashboard.

Wise Work

Remote

SDE Intern

April 2025-Present

- Built a full-stack web application using C# and Blazor.
- Developed interactive UI components and backend logic in .NET.

Projects

Time Travel Debugger

Feb 2024

- Created a Python library for stepping backward in code execution, inspired by dry runs while solving LeetCode problems. Published on PyPI: `pip install time-travel-debugger` | [Github](#)

File Sharing & Management System

April 2025

- Developed a full-stack file sharing and management system using Go, PostgreSQL, Redis, S3 and React with JWT authentication, public file sharing, caching, background jobs, and Docker-based deployment. [Experience it](#) | [Github](#)

MCQ Generator

Jan 2025

- Developed a full-stack MCQ Generator using React, Node.js, and OpenAI API to generate customizable MCQs from PDFs, deployed on Google Cloud Platform. [Experience it](#) | [Github](#)

Technical Skills

- Programming Languages: Python, Java, C++, (HTML,CSS,JavaScript), C#, Go
- Technologies & Frameworks: Node.js, React, Blazor, .NET Framework, Kafka, MongoDB, SQL, RESTful API, Fast API, OpenAI API, ElevenLabs API, Facebook/Instagram Graph API
- Development Tools & Practices: Git & GitHub, Express.js, WebSockets, Microservices, API Integration, Postman
- Deployment & Cloud: AWS, GCP, Docker, Cloudflare, ngrok, MongoDB Atlas, GitHub Actions
- Soft Skills: Team Collaboration, Tech Leadership, Project Management, Problem Solving, Communication, Adaptability

Education

VIT Bhopal University

Bachelor of Engineering(Major in Computer Science)
Cumulative GPA: 8.62

Bhopal,MP
Expected May 2026

G.P.M College (ICSE)

Class X: 85%
Class XII: 85%

2018 - 2019
2020 - 2021

Extracurricular

LC/NC club

July 2024 – Present

- Founded a club to highlight the importance of low-code/no-code (LCNC) platforms.
